Drunk-Driving Fatalities Rise on St. Patrick's Day

Berg Injury Lawyers Offers Safe and Sober Free Cab Ride Home Program in Sacramento and San Francisco

ALAMEDA, Calif. Feb. 24, 2015— According to statistics from the National Highway Traffic Safety Administration (NHTSA), St. Patrick's Day represents a significant increase in drunk-driving fatalities. As a result, Berg Injury Lawyers will continue its tradition of offering free cab rides home on St. Patrick's Day and other high risk holidays.

Through the law firm's [Safe and Sober Free Cab Ride Home Program](#), revelers can get a free ride home (up to \$35) from any bar or restaurant in Sacramento or San Francisco. Adults may simply contact these companies and tell them the ride is on Berg Injury Lawyers.

- **Sacramento**
Yellow Cab Company of Sacramento: (916) 444-2222
- **San Francisco**
Luxor Cab: (415) 282-4141

These special cab rides are available from **10 p.m. Tuesday, March 17, through 4 a.m. Wednesday, March 18**, and will only be provided to residences—not to other drinking locations.

Patrons should ask their driver to send their taxi receipt to Berg Injury Lawyers. A **limit of \$35** will be paid on each ride home. Patrons are encouraged to tip their cab drivers.

Due to the high number of calls on St. Patrick's Day, cab rides can't be guaranteed for everyone who calls. But every attempt will be made to accommodate anyone who contacts Yellow Cab or Luxor Cab on St. Patrick's Day.

The Safe and Sober Program

The Berg Injury Lawyers Safe and Sober program is part of an ongoing commitment to improve safety in the community and raise awareness about the dangers of drunk driving. Since the program's inception in 2004, the law firm has provided free rides home for thousands of adults who have had too much to drink on New Year's Eve, St. Patrick's Day, Cinco de Mayo, and Halloween.

The program's goal is to reduce the number of alcohol-related deaths and injuries in Northern California by providing free cab rides on holidays associated with high rates of alcohol consumption. In 2006, Berg Injury Lawyers received a Mothers Against Drunk Driving (MADD) Alameda County Community Service Award for the program.
