Berg Injury Lawyers Offers Safe and Sober Free Cab Ride Home Program

SAN FRANCISCO, Calif., Feb. 11, 2014—This St. Patrick's Day, Berg Injury Lawyers will celebrate 10 years of offering free rides home this St. Patrick's Day, through the law firm's Safe and Sober Free Cab Ride Home program.

A Lift for Libated Leprechauns

This year's program offers free rides home on St. Patrick's Day from any bar or restaurant in Sacramento or San Francisco.

Free rides home are available from 10 p.m. on Monday, March 17, until 4 a.m. on Tuesday, March 18. Contact these companies and tell them the ride is on Berg Injury Lawyers:

- **Sacramento**
Yellow Cab Company of Sacramento: (916) 444-2222
- **San Francisco**
Luxor Cab: (415) 282-4141

Patrons should ask participating cab companies to send their taxi receipts to Berg Injury Lawyers. A limit of \$35 will be paid on each ride home.

Rules for Celebrating Safely

Rides will be provided from bars or restaurants to individuals' residences—not to other drinking locations. Due to the high number of requests on St. Patrick's Day, rides can't be guaranteed for everyone who calls; however, every attempt will be made to accommodate all requests. Patrons are encouraged to tip their cab drivers.

"Throughout the past decade, we have proudly made this community a safer place. I look forward to continuing a legacy of safe celebration as the program grows in years to come."

Berg Injury Lawyers Safe and Sober Cab Ride Home

The Safe and Sober Cab Ride Home program is part of an ongoing commitment to raise community awareness about the dangers of drunk driving. The program encourages individuals to make responsible choices by providing free cab rides home on New Year's Eve, St. Patrick's Day, Cinco de Mayo, and Halloween.

The program has been successful in helping to reduce the number of alcohol-related deaths and injuries in northern California by providing thousands of free cab rides home. In 2006, Berg Injury Lawyers received a Mothers Against Drunk Driving (MADD) Alameda County community service award for the program.
